

Clubs @ Clawton

Dear Parents and Carers,

We are delighted to be able to offer a number of new clubs starting in school after half term. We have a range of extracurricular activities and experiences provided by our staff team, parents and our Sports Coach. Please find a list of clubs below along with start dates, days and times, which year group the club is being offered to and how many children we can accommodate in each group.

Lego club	R-6	Tuesday and Wednesday	Lunchtime	Mrs Stroud	Wednesday 6 th Nov	8 x 2	free

*Offers of help appreciated in which case this number would be higher!

We are absolutely delighted that so many people have offered to take clubs to give our children the chance to take part in something new and we are hoping to continue to add to this offer.

If your child is interested in joining any of the above clubs, please visit the office for more information and to register to join. If the club is full we will place your child on a waiting list and look at the possibility of running the club again after Christmas.

All clubs will end the week before we break up in December and a new offer will be put out before next term.

Many thanks for your continued support.
