

Clawton Primary School Newsletter | 30th March 2021

Dear Parents/ Carers,

As the spring term draws to a close, I write to inform you that Mr Thompson, who has worked at Clawton since December 2020, has secured a permanent job elsewhere and will therefore not be returning after Easter. Mr Thompson has shown a real talent when working with children, he will be missed by all but I know you will join me in wishing him well in his new role.

To ensure that Squirrel Class still have support in the summer term and with people they already know, Mrs Claire Orchard will be working within the class and Miss Hannah Steadman will also be supporting at times when she is not in with Foxes. Both Squirrel Class and Fox Class will have support in the mornings and most afternoons.

After Easter, each class will be given opportunity to access outdoor learning with some pupils working with Mrs. Bolton and others with Wendy, our fabulous parent volunteer. Please can pupils bring in wellies and waterproofs on the days below:

Tuesday: Hedgehogs and Badgers.

Wednesday: Squirrels and Foxes.

It has been great to see so many children signing up to access the after-school clubs; we are very excited to be launching them after Easter and hope that later in the summer we may be able to organise some matches against other schools within the MAT.

Character virtue focus this week:
Reflection

Return to school:
Monday 19th April.

In classes this week, children have been putting the finishing touches to their 'inspiring researchers' project. I have seen some exceptional pieces which are being collated into books, we hope to share these with you in an open afternoon event not long after the Easter holidays. The children have shown determination and reflection when completing these as they have enabled all pupils to really think about how we can make a positive difference to the world in which we live.

Wishing you all a wonderful and safe Easter break,

Kind regards,

Mrs. R Sharpe.
