

Clawton Primary School Newsletter | 7th May 2021

Dear Parents/ Carers,

Another week has flown by, there has been some wonderful learning taking place in every classroom and, as always, it is a pleasure to speak with all pupils about what they are achieving.

Academic:

The bespoke workbooks have been a real hit this week with children taking such pride in them. These books will start coming home next week for you to look at and write in the parents comment box. Please ensure they are returned the following day as the children write in them for every lesson.

Character Education:

To help with our development of character we have been looking at how we can serve our community and some classes have been considering how services like the RNLI use courage to do their job. We are planning a whole school trip to the beach in July where Mrs. Vickery is organising for us to meet with the coast guards to learn more about their jobs and the character virtues they use to help serve our coast and keep people safe.

Innovation:

When considering new ideas to move forward post COVID, I would like to begin to get the parental community working alongside the school on the development of C360 and the four cornerstones of our curriculum. During the parent coffee morning on 20th May I will be discussing this further. Next week I will send more information out for the coffee morning – if I can't do it on site due to COVID regulations it will be run through Zoom. I am looking forward to meeting more of you.

Community:

This week we welcome back Clawton Parent & Toddler Group. The road map to easing of restrictions now means that parent and toddler groups can start meeting

Key dates:

Parent coffee morning Thursday
20th May 9am.

Sports day Thursday 24th June
Reserve sports day Thursday 1st July
Pupils school reports out 19th July

Year 6 camp out 8th – 9th July
Year 6 performance and
presentation evening at the Queens
Theatre 15th July

again and this will happen in the school hall. Appropriate risk assessments have taken place, toilets will be separated so they are COVID safe and everything will be cleaned down after. This is an exciting step towards bringing our community back together again and the toddler group is a great feeder to the preschool. A huge thank you to Tina, Ads, Sadie and Alice for the hard work they have put into this.

Kind regards,

Mrs. Rachael Sharpe.
