

Clawton Parent and Toddler Group.

As you may have noticed our Parent and Toddler group is back up and running, with a few changes, the biggest being our venue, we are now meeting in the school hall and thanks to Guy Barriball we have a fantastic shed full of equipment, which is already making life a lot easier.

We still meet on a Friday morning 9.15am – 11am, for new-borns to reception age children and their parents/carers.

We have loads of space in the School Hall to do a variety of activities; crafts, sand and water play, dressing up, various toys, books, puzzles, playdoh, ride on's and a special area for our littlest members to roll, crawl and jiggle.

As an independent toddler group we continued to meet throughout the summer

holidays, especially this year more than ever as we felt both parents and children needed to continue to meet and socialize. Our days out took us to Wooda pixie trail and to Pyworthy Park.

We have already made great use of the lovely new outdoor class room, which Luke Dunkin and his team put up during the school holiday which is perfect for keeping our little ones safe and secure whilst playing outside.

We have a full programme of activities to take us up to Christmas.

We would like to take this opportunity to thank the school and the local community for all their support, enabling us to re-establish ourselves after a tricky few months.
