

Owls - Spring 2

Topic: Understanding the WORLD

Theme: What makes a garden grow?

Stewardship - (Become)

Academic:

Owls will be learning all about plant growth, how things grow, mini beasts and our seasons.

- 'We're going on a bear hunt' will be our new Talk For Writing innovation.
- A planned trip to Beer Mill with Elaine, to explore signs of Spring and our minibeasts.
- In Maths, we will be moving on to our new focus number 3 and the triangle.
- We will be getting creative by exploring Spring through art - flower painting and pressing.
- Life cycles of our trees and mini beasts.
- We will be getting creative and physically active through dancing out the hungry caterpillar life cycle .
- Exploring what Spring is.

Character:

Our focus virtues are Resilience and Motivation this term. We will explore these virtues and many others through our activities, stories, Beer Mill trip and our gardening sessions with Wendy.

Owls are enjoying receiving their house points. Their wonderful walking is second nature to them all.

Community:

- We will be looking at our seasons and how they compare to other countries.
- We will learn what Easter means to us.
- Hatch some caterpillars and help our butterfly community thrive.
- We will be taking a trip to Beer Mill to discover how our minibeast community lives and why they play an important part to our planet.
- Taking part in a couple of garden sessions with Wendy.

Digital and Innovation:

- This term the children will have opportunities to learn about the lifecycle of a caterpillar.
- Discover how a bee makes honey and explore a honeycomb.
- Learn some interesting facts all about minibeasts and how seasons change.
- Learn what food is healthy / unhealthy.
- We will go on a bear hunt for our Talk For Writing innovation.
