

## Owls - Summer 1

**Topic: Who are our Royal Family?**

**History & Understanding the world**

**Society - (Belong)**

### Academic:

This term Owls will be focusing on The Royal Family.

Under this topic, Owls will discover:

- Who is in the current Royal Family?
- What makes them Royal? And what do they do for our country?
- Where do they live?
- What is a coat of arms?

Owls will be getting creative, designing their own Royal flags, crowns, and their own coat of arms. They will have the option to build castles from various materials and can even role play being in the Royal family.

Our new Talk for Writing text will be "The King's Pants" written by Nicholas Allen. This is a story all about a king who cannot function with everyday royal duties without wearing the correct pants! It is a fun and catchy story and links in great with our topic. Looking forward to the children's adaptations to this story!

Our mini mathematicians will be moving on to the number 4 this half term. They will explore 4 sided shapes and learn to write the number 4.

### Character:

Our focus virtues for this term are: confidence, co-operation, honesty

As we look at creating our coat of arms, we will be looking at some symbols to represent them. For example, if a lion symbol is used - that would represent bravery, a heart would represent respect etc.

We will be working towards our Inspiring Speaker/leader certificate and focusing on our British Value of Rule of law - where we will look more closely at:

- Classroom Rules
- Outside Rules (Playground and walking around the school grounds)
- Positive reinforcements.

### Community:

- Owls will continue with their volunteering work in the school garden with Wendy and her team.
- Hopefully a trip to Beer Mill (depending if Elaine has moved or not)
- Owls will be designing a special creation for Father's Day
- We will be creating birthday cards for Princess Charlotte to send to Kensington Palace.
- We will be hosting a Royal Tea party as a fundraiser and invite parents/carers in.

### Digital and Innovation:

- We will be looking at the Royal family, past and present. Using virtual tours, topic books, and photos. Looking at how they use Kindness through charity events and fundraisers.
- Learn all about the King Charles and Queen Consort - Camilla.
- How they dress, what their hobbies are, where they go to school etc.
- As part of our Talk for Writing Innovation, Owls will get to create their own royal pants!
